**NYE at Crescendo** Crescendo. 9pm, \$135 through [outfitevents.com](http://outfitevents.com). River North royalty DJ Dante the Don runs the show at this decadent NYE gathering. The ticket includes premium open bar, passed hors d'oeuvres and dinner buffet before 1am, plus the champagne toast.

\* **NYE09 Goes Gold** Hilton Chicago. 9pm, \$155 through [ticketweb.com](http://ticketweb.com). Various Chicago promoters (Global Adrenaline and Tommy Z) bring nearly 4,000 clubbers to their hotel party. They've booked Sugar Ray's DJ Homicide alongside familiar River North residents Flipside, Billy the Kid and KJ. They've created a huge casino-gaming area where all the proceeds go to charity, United Cerebral Palsy of Greater Chicago, in fact. The big news for clubbers is that the hugely influential C+C Music Factory is slated to play in one of the ballrooms, which should be interesting to say the least. The ticket includes four-hour premium open bar, hors d'oeuvres, buffet, midnight Champagne toast, video count down and confetti explosion. Get more info at [NewYears09.com](http://NewYears09.com).
