

Smile! United Cerebral Palsy Association of Greater Chicago Honors 'The Drs. Tom' with Community Service Award

For people with disabilities, seeing a dentist can present difficulties.

For over 20 years, a quartet of suburban Chicago dentists has worked with United Cerebral Palsy of Greater Chicago to overcome those hurdles, bringing free services to adults in UCP's day services program. In recognition of this commitment, UCP National has presented the four with its 2006 Outstanding Community Service Award.

"The Drs. Tom" — Dr. Tom Emmering, Dr. Tom Wodniak, Dr. Pete "Tom" Galdoni and Dr. Jim "Tom" Bertini regularly visit UCP's community centers.

(l-r) are Drs. Pete "Tom" Galdoni,
Tom Emmering & Tom Wodniak
