

## UCP Recognizes Dominick for Leadership for the Disabled

At the March 11 Cicero Town Board meeting, Cheryl Deardorff, Adult Services Program Director at United Cerebral Palsy (pictured far left), along with a few clients of UCP's were in attendance for reasons that were two-fold. First, in keeping with Developmental Disabilities Awareness Month in Cicero, Deardorff and the

UCP clients came to demonstrate how much technology has aided the lives of the developmentally disabled in terms of their ability to communicate as well as their ability to develop job skills and, accordingly, to live more independent lives. Second, the folks from UCP presented Cicero Town President Larry Dominick with a

framed poem written by a UCP client in recognition of Dominick's commitment to disabled persons in and around Cicero. Dominick thanked Deardorff and the UCP family for their thoughtful gesture. "It's truly a pleasure to assist where we can as a town," said Dominick.
